Warm Weather Means More Dog Walking

The most important thing to do after you have been bitten by a dog is to make sure that you have proper medical attention since bites are often not only excruciatingly painful but can quickly lead to infection. As soon as medical support is on its way, it is critical to get information about the dog and the owner, or you might not be able to get the full amount of compensation you deserve. Did you know? We can travel to you! Contact us now if you've suffered a dog bite: (40... See more

Best experience yet!

Working with Fry Goehring has been a life saver. Scared and not knowing exactly where my hit and run case will go. I am enthusiastic to let the world know this law firm made it happen for my sister & I.

Thankful for Veronica! She literally walked and assisted me the whole way through my case

Our mission is to ensure that anyone who has been wrongfully injured can obtain the medical treatment, the compassion, and the compensation that they deserve. Unsolicited praise such as this reinforces that Fry | Goehring stands by our commitments.
